FRIDAY MAY 11th 1945

NUMBER 3

Nazis Surrender Unconditionally

Black Blizzard Last

Saturday Night

Saturday night about 10 p.m. one of the worst dust storms ever seen struck the town and district and from then until about 4 a.m. it swirled in black billows over the district, filling everything within and without full of dust, from the finely powdered particles that sifted through windows, to coarser sand which stung like a lash when it hit one's face.

Travel was almost impossible. When patrons came out of the show to go home, cars were creeping along at a snail's pace, sometimes stopping while a heavy cloud of dirt went by. A party of two was held that night and the young people, some of them at least had a real time getting home.

Housewives were thoroughly disgusted Sunday morning when they surveyed their houses to find all of Saturday's cleaning discounted by the wind, and they started right in again Sunday morning and went over the whole thing again.

No definite report on crop damage can be obtained as yet. Recent storms over our district may have washed the soil to the point where it would not blow a great deal, and much of what we ate and breathed during the night may have come from farther north, any way we hope so. At any rate it was a bad dust storm, and again reminded us of the fact that a program of farming to prevent drifting and soil erosion is one of the immediate "musts" for all of Southern Alberta.

DENTAL PARLOR NOW OPEN

Dr. H. G. Forbes, Dental Surgeon, recently a Major in the Dental Corps of the Army, has opened offices in the Post Office Block and is now open for appointments. Dr. Forbes comes to Raymond very highly recommended and is prepared to care for all the requirements of the people of this district in his line. See his card elsewhere in this issue.

Jerry Petrac Killed In Action

Mr. and Mrs. Petrac, received word last week of the death of their son "Jerry" aged 19, who was killed in action with the Canadian forces on the western front. He was killed April 26th.

Jerry was educated in the Raymond schools after the family came here from Saskatchewan about six years ago and was a popular young man. He worked in the Sugar Factory during the 1943-44 campaign and enlisted a little over a year ago. He was sent overseas as soon as he completed his initial training and has been in the battle front for some months. We extend to his parents and younger brothers and sisters our deepest sympathy in their sorrow.

V-E Day Announcement Joyously Received

About 8:45 Monday morning the first flash came over the radio that fighting in Europe had ceased and that Germany had surrendered unconditionally to the Allied Armies. One could almost hear the sigh of satisfaction and relief that went up from thousands of hearts as the day that we had been fighting and hoping for came and a half year came at last. The costliest war in the history of the world and the one that has affected by far the greatest number of people.

Raymond received the news with the same joy that other localities did and commenced at once to plan for the V-E Day Thanksgiving. A holiday was declared from 1 p.m. on Monday until Wednesday morning and the schools were dismissed. A Thanksgiving service was called for the evening at 8:30 p.m. in the Opera House where hymns were sung, Paul Redd, President of the Nether-Kin made a brief speech in appreciation to the occasion and Pat Peterson, one of the most joyous of the events in the memory of the present Canadian Legion offered a prayer of generation.

Pupils of the Public School were given a holiday again Thursday because of the Musical Festival in Lethbridge where many of the students participated.

Thanksgiving that peace in Europe had come.

The crowd of 1,000 then repaired to the school grounds where a huge bonfire was kindled, the lighting being done by service men of this war, and Hitler was burned in effigy, much to the joy of the younger children at the fire. Then dancing was enjoyed until midnight, it being free. For one of the few times in Raymond's history all cafes were also closed and one could not even buy a sandwich.

On Tuesday, despite the stormy weather, a parade was held including Air Cadets, service men and women, veterans of World War I, School children and parents of those in the service. At the Cenotaph, Chaplain O. H. Snow made a few brief remarks and a Thanksgiving prayer, and the group sang "O Canada" and the National Anthem. A song, Paul Redd, President of the other Free Dance was held Tuesday night and thus was celebrated in appropriate to the occasion and Pat Peterson, one of the most joyous of the events in the memory of the present Canadian Legion offered a prayer of generation.

Quarterly Conference

Last Week End

Quarterly Conference of the Taylor Stake of Zion convened in the Stake House Saturday evening and Sunday last with Elder George F. Richards of the Council of the Twelve and his son Elder LeGrande Richards, Presiding Bishop of the Church representing the General Authorities. President T. Geo. Wood and his counselors took charge of all the meetings except the Sunday evening session when Mrs. J. H. Walker President of the Y.W.M.C.A. had charge.

It was an Aaronic Priesthood Conference and on Friday evening a social was held for the boys of the Aaronic Priesthood age and for all girls of the Stake between the ages of 12 and 24. A large crowd assembled, climaxing an attendance competition amongst the wards. Both the visiting brethren spoke, refreshments were served, a short program carried out and the evening spent in dancing.

Saturday evening at 6:30 p.m. a Welfare meeting was held of Stake and Ward Welfare workers where the details of this program were discussed. Then at 8 p.m. an Aaronic Priesthood Leadership meeting was held where the program was discussed with the Bishops and Supervisors of the various wards and Quorum problems discussed.

Sunday at 9 a.m. a General Priesthood meeting was held and talks were given by Woodruff Wood, Lee Fairbanks and Bishop LeGrande Richards, representing the Aaronic Priesthood Quorums. Elder John Salmon, Chairman of the Aaronic Priesthood Committee of the Stake spoke of the fine work the Aaronic Priesthood Quorums were doing. Elders Geo. F. and LeGrande Richards both spoke and complimented the making and urged them to the Stake on the records the boys carry on and set an example to all in their various Quorum activities.

While this session was carrying on, the Mothers and Daughters were assembled in another meeting and carried out a program arranged by the General Authorities. Pres. Heber F. Allen had charge of this meeting. The Sunday School session convened at 10:30 a.m. and the singing was furnished by a Junior Choir under the direction of Grant Woolley of Magrath. Outlined talks were given James Briggs, Roy Litchfield, Miss Ruth Weibulmer, and Pres. T. Geo. Wood filled in for one who was unable to be present. Miss LaVaun Matkin of Magrath who is leaving for a mission in Eastern

Canada bore her testimony and Mrs. Bertia Gresson of Cardston sang a vocal solo. Bishop Richards gave a very inspiring sermon on the qualities of leadership and service that the activities of this Church produced in people and told a number of incidents of L.D.S. men and women in the service and the fine examples they were to their associates.

Apostle Geo. F. Richards spoke of the blessings which come from activity in the Church, and then spoke of the blessings that come to Church members from participation in Temple work and the redemption of the dead, and the blessings that we forfeited, not only for ourselves, but also for our children when we fail to take advantage of the opportunities the Church held out to us. He said that marriages amongst people of different religious convictions seldom brought that happiness which married life and a family should bring, and he urged young people to consider very seriously when they chose their companion, his eternity was a long time to live with one where perfect love and harmony did not exist.

AFTERNOON SESSION
After the opening exercises of the afternoon session, the General Church and Stake Authorities were presented by Stake Clerk Wm. A. Anderson and unanimously sustained by vote.
Mrs. LeGrande Richards spoke briefly, Pres. Melvin T. King bore his testimony, and then five Elders who had returned from short term missions, reported. They were Elders C. E. Alfred, C. D. Peterson, Ray Barker, Wallace Dudley and Steele Blumel.

Bishop Richards spoke on the value of the companionship of the Holy Ghost which is obtained and retained by proper living, and related a number of his personal experiences during his long term of missionary activity, and also while serving as Bishop in his ward.

Elder Geo. F. Richards opened his remarks with these words: "Take a course in life that will not bring you disappointment at the end." He spoke of the truth and the saving power of the Gospel of Jesus Christ as taught by the Mormon Church and of the disappointment that would come to those who failed to walk in its light. The universal lust for wealth was a great barrier to our living the Gospel and ensuring our salvation. He said there were 45,000 men in the world over 21 years old with only the Aaronic Priesthood and said that these men stood in danger of losing their salvation. We should try and live up to our understanding of the Gospel, and all who are worthy should become Saviors on Mount Zion by assisting in the work of the salvation of the dead and thus guarantee their own exaltation.

The M.I.A. session convened at 7 p.m. and short talk was given by Miss Vivienne Seville on the new Book of Mormon and Miss LaVaun Matkin spoke briefly.

Miss Nadine Dow gave a speech of welcome to the girls who had qualified as Golden Glens in the Stake and Miss Norma Smith of the Stake Board then presented Golden Glens certificates to Misses Katherine Paxman, June May, Le-

God Save the King. (Continued on next page)

OSBORNE PLEADS FOR FULL SUPPORT

The following wire was received Monday from F. B. Osborne, Provincial Chairman of the National Victory Loan Committee, and we are pleased to print it because we fear so many people who would otherwise buy bonds, may feel now that the need is no longer so acute. Following is the wire:

"With the news of the surrender of Germany's armed forces, many of our citizens may in error conclude that the need for backing our Government by means of the Eighth Victory Loan campaign is over. It would be exceedingly unfortunate if such an impression should prevail.

"Guerrilla fighting, poisoning enemy countries, caring for our own and former prisoners of war, of starving millions in allied countries will require immense sums of money, and for happier uses such as bringing our boys home, with transportation, mustering out pay and rehabilitation costs, equally immense sums will be needed over the next six months.

"There is still much to be done. Let's finish the job now and say 'thanks' by heavily oversubscribing the Eighth Victory Loan.

VICTORY SALES TOTALS

Up to Wednesday night, the Eighth Victory Loan had reached a total subscription of \$1,052,270,950, compared with \$1,119,576,500 at the same period in the last loan. The V-E Day holiday made a difference in the cumulative total but officials are hopeful that extra effort from here on in will offset the holiday effect and push the sales beyond the objective.

Now thank we all our God

WE JOIN with all Canadians
in giving thanks for the Victory in Europe
which has delivered us from the perils
of dictatorial domination and brutal ruthlessness.

Our heartfelt thanks go out to all our fighting men
who, by their courage, devotion and sacrifices,
have once again made us all
proud to be called Canadians.

QUARTERLY CONFERENCE HELD

Verna Matkin, Melba Wilde, Gubney, and Mrs. Margaret Bridge. Mrs. LeGrande Richards was called on again for a brief talk, and Elder J. A. Spencer who has been in the service for over four years spoke briefly. Miss Evelyn Neill sang a vocal solo.

Elder Geo. F. Richards gave an inspiring message to the youth urging them to serve the Lord and thus assist in the work of the salvation of mankind. Honor thy father and thy mother that thy days may be long upon the land and said the speaker, the best way to honor them

is to yield obedience to the law of God.

Pres. T. Geo. Wook spoke briefly and expressed his appreciation over the fine records of the people of this State and how proud he was to be numbered among them.

Bishop Richards spoke of his joy at visiting here and commended the State on the fine buildings they had here. He spoke of the excellence of the youth program of the Church and then concluded with a wonderful discourse on the eternity of the marriage covenant and just what it meant to the family relationship of men and women.

The Gleaner Chorus sang for numbers in the evening session and the Stake Choir, under the baton of Chorister W. C. Stone was present for the afternoon and evening session Sunday and rendered a fine program of anthems which were all very much enjoyed.

NEWS NOTES

Jimmy Weaver of the R.C.A.F. left Lethbridge Thursday for Winnipeg to report again for work after a two weeks leave at home.

Lieut. Lyle Flegruss went to work Wednesday on the remodelling

Calgary Thursday, for a fitting of his artificial leg which he was informed by wire Wednesday evening was waiting there for him.

T. K. Roberts and his crew started work Wednesday on the remodelling of the front of the Brewerton block on Broadway.

KNOW the TRUTH about the C. C. F.

The Canadian Government has borrowed from the Chartered Banks of Canada \$3,500,000.00, according to Graham S. Towers.

The interest on this would be over \$100,000,000. The security behind these loans is the Dominion Government Bonds. Therefore a C.C.F. Government would have done this business through the Bank of Canada and saved practically all the interest and had \$10,000,000 which would have been half enough to have provided complete medical, dental and hospitalization for every man, woman and child in Canada, or it would furnish a \$4,000 home for 20,000 Canadians and put \$1,000 worth of furniture in it, or it would pay the cost of Old Age Pensions to everyone over 65 years of age at double the present rates. This is why you will have to support the C.C.F. on its Publicly Owned Banking System this election.

IF YOU WORK FOR A LIVING THIS IS YOUR PARTY.

Inserted by the Lethbridge Federal Constituency Association, in the interests of W. W. SCOTT, C.C.F. Candidate.

FAMILY ALLOWANCES AND INCOME TAX

THE following announcement will help to clarify the relationship between Family Allowances and Income Tax credits for dependent children. Family Allowances are payable from July 1st, 1945, and the registration of children is now taking place.

The Family Allowances Act was designed to help equalize opportunities for all children, and when the Act was passed, Parliament approved the principle that there should be no duplication of benefits by way of Family Allowances and Income Tax credits for the same child. An amendment to the Income War Tax Act will be made to deal with this duplication. In the meantime, however, the Govern-

ment proposes, for the last six months of 1945 during which Family Allowances are payable, to remove duplication by adjusting the income tax credits received for children.

It is natural that parents in the low income groups will be expected to receive maximum benefits from Family Allowances. Partial benefits will be received, however, by parents with incomes up to \$3,000.

The table below shows the effect of the adjustments which the Government has decided to make. For convenience and simplicity the benefits received by each income group are shown as a per cent of the Family Allowances received. The table shows:

TABLE SHOWING EFFECT OF ADJUSTMENT FOR 1945

AMOUNT OF TAXABLE INCOME		Percent by which taxpayers will benefit from Family Allowances in addition to present income tax credits, for 1945.	
Over \$1200	Not over \$1200		
1400	1400	100%	of
1600	1600	90%	the
1800	1800	80%	actual
2000	2000	70%	Family
2200	2200	60%	Allowances
2400	2400	50%	received
2600	2600	40%	in the
2800	2800	30%	year
3000	3000	20%	1945.
		10%	
		0%	

NOTE:—This table applies to married persons and others having the status of married persons for income tax purposes. For the relatively small number of single persons supporting children and not having married status for income tax purposes, and for members of the Armed Forces, special tables can be obtained from the Regional Director of Family Allowances in each provincial capital.

(a) Heads of families receiving incomes in 1945 of \$1200 or less will benefit to the extent of the full amount of the Family Allowances received. As they are not required to pay income tax, there is no duplication to remove.

(b) Heads of families receiving incomes in 1945 in excess of \$1200, but not in excess of \$3,000, will in effect retain the full value of their present income tax credits and in addition a percentage of the actual Family Allowances received.

(c) Heads of families with incomes in excess of \$3,000 will retain their full income tax credits for children if they do not receive Family Allowances. These taxpayers may, however, apply for Family Allowances to protect themselves against a possible decrease in income at a later date which might bring them into a lower income range where they would benefit from Family Allowances. In such cases if the income remains in excess of \$3,000, the income tax credits for children would be reduced by the full amount of Family Allowances received.

Family Allowances will be paid in full

In all cases, those who apply for and are eligible to receive Family Allowances will receive them in full, month by month. See scale below:

SCALE OF MONTHLY ALLOWANCES FOR THE FIRST FOUR CHILDREN

For each child	
Under 6	\$5.00
From 6 to 9 (inclusive)	6.00
From 10 to 12 (inclusive)	7.00
From 13 to 15 (inclusive)	8.00

Where there are more than four children under 16 in the family, the monthly allowance for each child after the fourth will be reduced in accordance with the provisions of the Family Allowances Act.

As far as is possible, to take care of the adjustments necessary to avoid duplication of benefits, current income tax deductions at the source will be adjusted to take into account the new situation when Family Allowance payments commence. This will avoid placing an awkward burden on the taxpayers at the end of the year.

FAMILY ALLOWANCES ARE NOT TAXABLE

Special attention is drawn to the fact that the income ranges used in the table above refer to taxable income, and any amounts received as Family Allowances should not therefore be included in calculating income for this purpose because Family Allowances are not taxable.

Family Allowances are also additional to dependents' allowances for servicemen's families and military pensions.

For children registered after July 1st, 1945, Family Allowances will be paid as from the month following the month when registration is made. Family Allowances are not paid retroactively.

Published under the authority of
Hon. BROOKE CLAXTON, Minister,
Department of National Health and Welfare, Ottawa

NOTE THESE TWO EXAMPLES

1. Family with two children, ages 6 and 8, with total income during 1945 of \$1200.

TOTAL FOR SIX MONTHS OF 1945

First Child	\$36.00
Second Child	36.00
	\$72.00

As this family does not benefit by way of income tax credits, it receives and keeps the full amount as stated above.

2. Family with two children, ages 6 and 8, with total income during 1945 of \$1950.

TOTAL FOR SIX MONTHS OF 1945

First Child	\$36.00
Second Child	36.00
	\$72.00

Amount returnable, being loss of income tax credits . . . 28.80

Amount retained (60%, see table) . . . **\$43.20**

REGISTER NOW!

If you intend to apply for Family Allowances but have not already done so, please complete and mail Family Allowances Registration Form. Copies of form may be obtained at the nearest post office.

Ideas are stirring in the new cookery" offered by EUSTELLA LANGDON to Canadian listeners via "CBC Cooking School." The school holds its first class on the Trans-Canada network, Monday, May 7, at 3:18 p.m. CDT. Mrs. Langdon, chief cook & lecturer, will give her pupils lots of recipes as well as the benefits of her practical experience as home-manger and vitamin expert.

The regular meeting of the Municipal Council was held Tuesday, lasting from 10 a.m. to 7 p.m. We will have a report of it in our next week's issue.

Thursday night's Herald announced that Steele Brewerton and Harlan Taylor had been awarded their Bachelor of Science Degrees. These will be presented at the graduation exercises Tuesday. Parents of both boys expect to be present for the graduation.

All Class was initially organized First Aid Work not ordinarily covered by the joint effort of the Sugar Factory Safety Committee and Factory First Aid.

Management, genuine interest in A new feature of this year's course was the introduction of practical problems as an additional aid in training. The problems were given John Ambulance Association, has in writing to the Senior First Aiders been given every year, not only to a who, in turn, on studying the problem, demonstrated before the entire employees, but to the other interested parties of Raymond and District as well.

This year the classes were commenced on January 24th and were brought to a successful conclusion in March, when examination was held and all were found well qualified for various awards by the Medical Examiner, Dr. J. H. Walker of Raymond.

John Landyshoff, Chief Chemist of the Canadian Sugar Factories Limited was again a lecturer-instructor during the entire course. Since 1943 he has been a holder of the instructor's Certificate awarded by the St. John Ambulance Association. In addition to the standard St. John Ambulance Course as given by the instructor, valuable contributions to the success and interest of the training were made by:

(1) Mr. Jenkins, Safety Supervisor Treatment, and Safety in general, illustrated his projection reels on the various methods of the First Aid Treatment and Safety in general. All these were greatly appreciated by the entire audience.
(2) Dr. Walker gave to the class a lecture of one hour on the blood transfusion work, that plays so important a part in treatment of the wounded on the battlefield. The Doctor also reviewed the work of the local Blood Donor's Clinic and lectured on some phases of the

Actually the entire group of the First Aid students consisted of three classes, namely:

(1) The Industrial class, comprising 16 employees of the Raymond Sugar Factory;
(2) The public class consisting of 11 Senior Air Cadets and Scout Leaders of Raymond and Magrath.

(3) The Junior class consisting of Scouts of Raymond, of both First and Second Troop, as well as of the few junior Air Cadets of the Local Squadron.

The names of those who took the examination are as follows:

Industrial Class: taken training the eighth year: Jack Blackovits, Valdemar Ploggrass, Allan Watson.

Industrial Class: taken training seventh year: Wilford VanOrman, Stanley Greep.

Industrial Class: taken training sixth year: John Housley, Owen Larson, Roy Woolley.

Industrial Class: taken training fifth year: Karl Schneider.

Industrial Class: taken training third year: Arthur Atwood, Stanley Linitaki.

Industrial Class: taken training second year: Herbert Still.

Public Class: Fifth year: Charles Matkin, Magrath, Varold Rolfson.

Public Class: Fourth year: Alden McNeely.

Public Class: Third year: Warren Jones.

Public Class: Second year: Joanne Riddell, Archie Terry, Geo. Landyshoff, Tolao Takahashi.

Junior Class: Second Year: Phillip Redd, John Redd, Woodruff Wood.

Junior Class: First year: Carl Atwood, Gordon Cooper, David Dahl, Elmetrich Gehalich, Calvin Hantock, Jim. Kishota, Lawrence Kotkas, Ronald Spackman, Joseph Stevenson.

Archie Terry was acting as a secretary or the Public and Junior Classes, being assisted by Wilford VanOrman as a secretary of the Industrial Class.

It is gratifying to be able to announce that two of the Senior First

Aids attending the class made notable contributions to the cause of First Aid in general.

(1) Arthur Atwood by inventing a stretcher of a sliding type.
(2) Valdemar Ploggrass by designing a multi-purpose board useful in handling patients with certain injuries.

A full-size model of the new stretcher made by Arthur Atwood, the inventor, was demonstrated before the class and the public interest after the examination.

In the opinion of the Examiner, the instructor, members of the class and other parties attending the demonstration, the new sliding stretcher is obviously an improved appliance in handling the seriously injured, particularly those with spinal injuries. It affords the possibility of handling the patients not only more expeditiously but at the same time more safely than it is feasible with a regular army stretcher and standard method.

Much credit is due to the inventor for his work. He should be encouraged and assisted to the limit to see that the new stretcher is commercialized and thus made available for general use. After all what matters more than a better chance for recovery of the seriously injured through the employment of better First Aid equipment.

There is probably nothing so much desired in First Aid as a means for safer transporting of patients with spinal injuries, also the rapid removal of injured generally from combat or raided areas. Atwood's sliding stretcher seems to go a long way in meeting the problem more efficiently.

Boothie Card, Bert Hall and Elmer Reece Gibb of Magrath was a Ray Hatfield were all home over the week-end from their oil hauling out of Calgary. They returned Sunday night.

S. B. Smith was busy Wednesday redecorating the interior of the old Bowling alley building while Will Lamb was busy laying part of the floor taken up when the alleys were put down.

Cpl. Vera Joek of the C.W.A.C., Calgary, was a Raymond visitor over the week end at the T. W. Meldrum home.

Opportunities for ALL

R. Hon. W. L. MACKENZIE KING, Prime Minister

YOUR Liberal Government under Mackenzie King has taken practical steps to see that every Canadian after the war shall have a wide-open chance to make a real success of his life. It can be done by giving everybody the opportunity to get ahead faster and go further.

Isn't that what you want — a chance to make your own way IN your own way?

Here are definite, practical steps which the Liberal Government has taken (not just talked about, but taken) to make this Canada a better place to work in and bring up your children.

You will have to decide whether you want the men who devised these measures to carry them through, or whether you wish to entrust your own and your family's future to others.

1 Reconstruction

Plans for jobs for 900,000 more workers than in 1939; and 60,000 more each year as the population grows. Every kind of enterprise will be encouraged. The Liberal Government has already set up the machinery: the Department of Reconstruction.

2 Foreign Trade

Liberal objective: Sixty percent increase in value over Canada's pre-war export trade. This means thousands of jobs, and is based on the number of jobs created by Canada's normal export trade.

3 Credit for Enterprise

The Liberal Government set up the Industrial Development Bank to provide money at low interest for long terms to help enterprising Canadians to develop new business. Another step towards creating full employment.

4 Exports Encouraged

War-torn countries will want to buy tremendous quantities of Canadian goods. To facilitate this, the Liberal Government has set up the Export Credit Insurance Act to do two things: (1) to insure Canadian exporters against loss, and (2) to make loans to foreign governments under contract to Canadian exporters.

5 Farm Improvement Loans

Your Liberal Government has made low interest loans available to farmers to finance their work and make improvements.

6 Guaranteed Markets

To provide farmers with a better wartime income, the Liberal Government made contracts for definite quantities of important products at agreed prices—namely bacon, eggs, cheese and beef. These contracts have worked out so well the Liberal Government extended many for longer periods.

7 Family Allowances

From July next, Family Allowances are to be paid monthly to assist parents in raising their children—\$250,000,000 a year direct spending power in the hands of people who need it most.

8 New Homes for Canadians

The Liberal Government's new \$400,000,000 National Housing Act enables hundreds of thousands of Canadians to own their own homes. In the first year after Germany's defeat, at least 50,000 dwellings will be built.

9 Returning Veterans

Gratuities, benefits and grants of \$750,000,000 will enable men and women of the Armed Services to apply their energies in building the prosperous Canada for which your Liberal Government has been planning.

10 Floor Prices under Fish and Farm Products

To protect farmers and fishermen and to maintain prices, the Liberal Government has provided floor prices under their products. Prosperous farmers and fishermen make a prosperous Canada.

11 Better Labour Conditions

In co-operation with organized Labour, the Liberal Government has confirmed collective bargaining, provided unemployment insurance, appointed labour representatives on government boards. (More than 600,000 workers, because of the Liberal Government's attitude towards Labour and the labour movement, now get annual vacations with pay.)

12 Reduction in Taxation

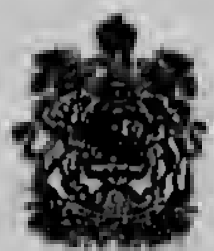

The Liberal Government will gradually reduce taxation when the European war is over to free spending power and to give Canadians every opportunity for prosperity, employment and freedom.

TAKE A FEW MINUTES NOW
AND ORDER THE COAL YOU WILL
NEED NEXT WINTER

Every man now working in Western coal mines must be kept on the job during the "off season" months in the Spring and Summer—if Western consumers are to have enough coal for next winter.

Call your dealer at once. Get him to fill your bin as soon as possible.

DEPARTMENT OF MUNITIONS and SUPPLY

Hon. C. D. Howe, Minister

Once, long ago, on top of Vimy Ridge, there was a spot where a communication trench joined the front line, and it bore the sign, "Corner of Portage and Main." To Winnipeggers the words on this familiar sign mean more. Here ROY LOCKSLEY, who conducts CBC's Dominion network series, "Winnipeg Presents" (Sundays, 10:30 p.m. CDT), stands at the historic corner pondering on a theme, which he is thinking calling "Portage and Main."
